## Party Lines Torn Over Injunction Labor Bill Issue

Third Week Of Hearings On New Labor Measure Getting Under Way

### SEN. TAFT FIRM FOR INJUNCTION

By PHILLIPS J. PECK  
(U. S. Staff Correspondent)

WASHINGTON, Feb. 14.—The anti-strike injunction stands out clearly today as the issue which may split party lines wide open in Congress in the writing of a new labor law.

As the senate labor committee began its third week of hearings, a number of developments spotlighted the fight over the use of court orders in labor disputes.

Sen. Taft (R-Ohio), declared that "the definite right of an injunction must be spelled out for national emergency strikes" in any labor legislation passed by the 81st congress.

### Not Going Along

The Ohioan made it plain he could not go along with his two Republican colleagues, Sens. Morse, Ore., and Ives, N. Y., on this point. Morse and Ives hoped to have Taft's support on a measure which is preparing as a compromise between the existing Taft-Hartley act and the administration's repeal bill.

The Morse-Ives proposal would go beyond the Democrats' position on many questions of labor law, but it would side with the administration to the extent of abandoning the anti-strike injunction.

The Taft-Hartley law has an 80-day injunction weapon against national emergency strikes. This feature has caused more resentment among organized labor than possibly any other provision of the current statute.

### Party Lines Torn

Congressional party lines definitely are torn over the issue. Republicans had hoped that Morse, Ives and Taft would be able to stick together on labor legislation and join a united GOP senate bloc with

## Pa Newc Observes

An unusual parking situation was noted downtown on Sunday afternoon. Parking room along the downtown streets was completely occupied for many blocks, and it was some task to find a place to stop and park a car.

Numerous programs are being observed throughout the city today in recognition of Valentine Day. Likewise the distribution of Valentines was widespread.

Neighboring in Beaver Falls on Sunday evening, Pa Newc noted that at several of the important intersections, the stop signs were illuminated electrically with a flasher calling attention to the sign. With such an arrangement, there is no excuse for not seeing the signs.

Snowdrops are in full bloom on numerous farms about the county, Pa Newc is told. Other plants which ordinarily start shooting forth much later than this are well advanced, much to the dismay of farm residents who fear that they will be nipped by the cold in the future.

Very little fire was needed in most homes of the city on Sunday it was discovered by Pa Newc. Even in churches Sunday morning, just enough coal to keep the fires from going out was added. This is a most unusual situation for this season of the year.

Road between Wampum and Beaver Falls, namely Route 18, could stand some patching by highway crews. The highway is full of large holes which could easily cause damage to vehicles and in some instances perhaps an accident.

## Bill McPeak Is Honored

Bill McPeak and mother, Mrs. Ann G. McPeak at Testimonial Dinner.

Bill McPeak was honored Saturday night at The Castleton. Approximately 150 persons attended the testimonial for the New Castle boy who played 4 years of varsity football for the University of Pittsburgh and distinguished himself on the leading college gridirons from coast to coast.

Shortly after seven o'clock, Rev. Fr. Francis McCarter asked the invocation. The sports minded

gathering interrupted their stories about his or her favorite day in football and engaged in a sport at which all present seemed to be experts, eating. A plentiful supply of broiled chicken and all the trimmings soon vanished from sight and the speaking program got underway.

County Commissioner Jos. F. Travers, who along with Bill Senator and Len Gilbert, was largely

## Consistory Is Addressed By Pope Pius XII

Report Plans Being Mapped To Unite Christians In Battle On Communism

By MICHAEL CHINIGO  
(U. S. Staff Correspondent)

VATICAN CITY, Feb. 14.—Pope Pius XII branded the imprisonment of Josef Cardinal Mindszenty today "a miserable offense against...all believers in human dignity and freedom", and reportedly planned a united front of all Christians against communism.

The supreme pontiff, speaking before an extraordinary consistory of 16 cardinals, warned that "if religion is swept away and divinity is banished, no civil society can subsist", he demanded full freedom for the church everywhere.

### Plans Are Mapped

After hearing the pope, the consistory reportedly mapped plans to unite all Christian denominations in the fight against communist expansion. Such action would be an historic step for the Roman Catholic church, which hitherto insisted on standing alone.

His holiness, addressing the first meeting of its kind in nearly half a century, bitterly condemned the trial of the primate of Hungary. He

## Declares Russia To Occupy Finland If Norway Joins Pact

STOCKHOLM, Feb. 14.—(INS)—A Swedish foreign office spokesman predicted today that if Norway joins the North Atlantic Pact Russia will occupy Finland.

He indicated that this is the reason for Sweden's opposition to any Scandinavian country joining the pact and the reason why Sweden favors a regional security pact with Norway and Denmark.

The spokesman said that Sweden's willingness to enter a Scandinavian pact is a reversal of her traditional neutrality and would include a guarantee to go to war in support of either country attacked.

Russian occupation of Finland would put the Soviet army on Sweden's eastern border. The Swedish foreign office said it does not believe Russian reaction to a Scandinavian pact would be so violent as that which would greet a Nordic country joining the Atlantic alliance.

## New Flare-Up In 'Cold War' Looms In United Nations

Soviet Delegate To Renew Demand For Report On U. S. Atom Weapons

### CARDINAL'S CASE MAY ALSO COME UP

By PIERRE J. HUSS  
(U. N. S. Staff Correspondent)

LAKE SUCCESS, N. Y., Feb. 14.—The United Nations headed today toward a series of stormy sessions between Russia and the western powers which may well blow away any traces of the so-called Soviet "peace offensive."

U. N. delegates and officials anticipate a violent new flare-up in the "cold war" between east and west in almost every meeting this week.

### Sharp Clash Brewing

One of the sharpest east-west clashes has been brewing in the 18-nation economic and social council, where a number of Latin-American nations have been consulting together about raising the case of Hungary's imprisoned Cardinal Mindszenty.

Even an implied expression of sympathy for the cardinal by western delegates last week caused a flare-up on the part of the Russians and Poles. They asserted in the economic and social council that far from requiring sympathy, the cardinal was nothing but "a culprit" and "a petty Hungarian criminal."

Tomorrow morning, the 11-nation conventional arms commission goes into session for the first time this year. The group has before it an assembly resolution approved by the security council calling for the establishment of machinery for gathering data on the world's armed forces and ordinary armaments.

### To Demand Atomic Report

## Gen. Eisenhower Serves In Role Of Peacemaker

WASHINGTON, Feb. 14.—(INS)—Top military observers predicted today that Gen. Dwight D. Eisenhower will bring to an end the internal strife and bickering on the joint chiefs of staff.

Eisenhower was appointed chairman of the joint chiefs by President Truman last week. He also was named chief military adviser to the President and Defense Secretary Forrestal.

Three things point to success in Eisenhower's peacemaking mission. They are:

1. He enjoys the complete confidence of the military.
2. He is a peace-loving man.
3. He is a peacemaker.

## Pay Tribute To Lincoln At Memorial In Washington

President Truman paid tribute to Abraham Lincoln at a ceremony at the Lincoln Memorial Saturday. The president stood as his aides placed his wreath at the statue of Lincoln. ## Hitler's War-Scarred Reichschancellery Being Blown Up

Hitler's war-scarred Reichschancellery begins to crumble as structure is blown up by German demolition crews in Berlin on orders from the Russians. The building and Hitler's famed balcony, were blasted in first of some 50 demolitions designed to eliminate Nazi shrines. Hitler, Eva Braun and Joseph Goebbels were supposed to have committed suicide inside the building's aid raid shelter just before the Russians entered Berlin.

## Taxi Strike In Philadelphia Is Postponed

Announce Strike Set For Midnight Is Delayed For Several Days

### TRANSIT STRIKE IN FOURTH DAY

(BULLETIN)

PHILADELPHIA, Feb. 14.—(INS)—Hundreds of thousands of Philadelphians scrambled to work via every conceivable means today as negotiations for settlement of a crippling transit strike resumed.

Prospects for an early end to the paralyzing, four-day-old tie-up remained dark.

But the city's transportation picture brightened somewhat this morning when a threatened strike of some 4,000 taxicab drivers at midnight tonight was postponed "for several days."

For the CIO transport workers and the Philadelphia Transportation Co. began their fifth bargaining conference, with the federal government as peacemaker.

At "Crucial" Stage Negotiations admittedly have reached the "crucial" stage, although there was no immediate indication they would collapse entirely.

TWU President Michael J. Quill has intimated the walkout may last another two weeks. The union demands 20 cents an hour pay rise, while the PTC's best offer has been three cents.

Meanwhile, the city's 3,000,000 daily riders kept walking, while the negotiators kept talking.

Buses, trolleys and subway trains remained in car barns and Philadelphia got to work this morning "on the hoof," by commuter train, in car pools, or trucks.

But apparently thousands who

## Report Differences Over North Atlantic Pact

By KINGSBURY SMITH  
(European General Manager I. N. S.)

PARIS, Feb. 14.—Authoritative diplomatic sources in Paris said today that France and Britain are gravely concerned over reported United States efforts to water down its military guarantees to Western Europe in the North Atlantic Security Pact.

Both Whitehall and the Quai D'Orsay are said to be "jittery" over the reported reluctance of the U. S. State department to guarantee automatic military action by America in the event one of the signers of the pact is attacked.

Henri Bonnet, French ambassador to Washington, reportedly has informed the French foreign office that the recall to Washington of Gen. Dwight D. Eisenhower was motivated by the need for his prestige to iron out sharp differences within the government over the pact.

Bonnet reportedly told the foreign office that Eisenhower's views are unknown but he was said to have added that some members of the administration, certain congressional leaders and even military and naval advisers are counseling against any clause committing the U. S. to enter a war.

Others are favoring an all-out commitment just short of impinging on the right of Congress to declare war.

## Lower Prices Of Food Expected

WASHINGTON, Feb. 14.—(INS)—The government expects lower food prices this year but says there won't be any drastic drop.

The agriculture department reported food costs in 56 cities last year hit an all-time high, averaging 210 percent of the 1935-39 base period and eight percent above 1947.

A report on the national food situation predicted that consumer demands will continue strong. This is based on the belief that general economic activity, employment and wage and salary payments will remain at high levels.

## No Diplomatic Break Expected With Hungary

President Truman And Secretary Acheson Study Demand For Recall Of Chapin

### DOUBT RECALL RETALIATION MOVE

By JOHN A. REICHMANN  
(U. S. Staff Correspondent)

WASHINGTON, Feb. 14.—United States officials today fear further Communist onslaughts on Christianity if the case of Josef Cardinal Mindszenty in Hungary is allowed to stand.

This fear was expressed as President Truman and Secretary of State Acheson studied Hungary's action in demanding recall of U. S. Minister Selden Chapin which brought U. S.-Hungarian relations to their lowest ebb since the war. Hungary was an Axis partner.

It is anticipated that if the communist regime in Hungary can proceed with the domination of the church, equally stringent measures would be taken in other nations behind the iron curtain.

### Poland May Be Next

Some quarters feel that predominantly Catholic Poland might be next if the situation continues. The church in Poland, though some of its leaders have been openly defiant of the regime, has come off comparatively unscathed.

Presumably Moscow is not yet willing to let its satellites go so far in that country. But, some feel that Hungary may be the proving ground.

The indictment of 15 Protestant clergymen in Bulgarian is regarded as another important symptom of developments concerning religious freedom in communist areas.

### Doubt Retaliation Move

American tempers were shorted by the Hungarian demand that Selden Chapin, the United States minister, be recalled as persona non grata, but it was doubted that recall of Hungarian Minister Andrew Sik would be asked in retaliation.

Hungary's demand has been refused, but Chapin has been called home for "consultation", and he plans to leave Budapest sometime this week.

A 24-hour police guard has been established outside the Hungarian

## Family Of Seven Persons Killed In Plane Crash

MONTREAL, Feb. 14.—(INS)—An entire family of seven persons was wiped out last night in an air crash near Maxville, Ontario.

The pilot, a veteran training superintendent of the Royal Air Force Ferry command, his wife and five children, were killed when their single-engine plane crashed in a farm field.

Wallace C. Siple, 33, held a decoration from the king for his ferry command war service. He was the owner of the Siple Aircraft company of Montreal.

The plane, a Beechcraft Bonanza was heading for Montreal when the crash occurred. Archie Stewart, a farmer on whose land the plane plummeted to earth, said all seven were dead when he reached them.

In the presence of a large gathering of friends and relatives the young couple exchanged vows at 7:30 o'clock with Rev. Everett F. Spring officiating. Lovely palms and ferns embanked the altar and an hour of nuptial music preceded the wedding ceremony including "I Love You Truly," "Because" and "The Lord's Prayer." Robert Rudesill, the bride's classmate, was the organist. The bride was given in marriage by her father.

For her wedding the bride was fitted in a white velvet gown, laced bodice with off-shoulder insets of lace. Her veil had dainty insets of lace and fell from a white velvet calotte and she wore white lace mitts and carried a white Bible covered with showered gardenias. For the traditional "something old" she carried a lace handkerchief and wore a six pence in her shoe which her maternal grandmother brought from England. As her only jewelry she wore a strand of pearls, a gift from the bridegroom.

Miss Barbara Grittie as her sister's maid of honor wore a bronze velvet gown, princess style with matchin calotte and lace mitts and a wrist band of showered gardenias.

Bridesmaids, Betty Clymer, Pauline Grittie, Mrs. Al Barberger and Mrs. William Dunlap, wore velvet gowns of hunter green, patterned similar to the maid of honor. They wore matching colottes, lace mitts and wore wrist bands of showered gardenias.

William Dunlap served the bridegroom as best man. Ushers were George Jenkins, Jr., Philip Carlo, Charles Jenkins and Hubert Moffatt.

## Fall Fatal To Elderly Woman

Mrs. Clementine Croft Kline Expires In Hospital Of Injuries

Mrs. Clementine Croft Kline, aged 82 years, of 939 Beckford street, passed away Sunday morning at 12:43 o'clock of injuries received when she fell in her bedroom, a few hours previously.

Mrs. Kline, who had been in ill health, fell and struck her head against the baseboard of her room. She was removed to the Jameson Memorial hospital, where she died without regaining consciousness.

Born in Mars, October 2, 1866, she was a daughter of Joseph and Fanny Davis Croft. Mrs. Kline, a resident of New Castle for the past 35 years, was preceded in death a number of years ago by her husband, Jacob Kline, whom she married in 1891.

Mrs. Kline was a member of Third U. P. church and Women's Bible class of that church.

Survivors include three daughters, the Misses Anna, Fanny and Esther Kline, all at home; one son, Edward Kline, Highland Heights; a sister, Mrs. Jennie Romigh, Rochester, Pa.; two grandchildren and one great-grandchild.

She also leaves two half-sisters, Mrs. Ford Lutton, Mars, and Mrs. Albert Marburger, Callery, Pa., and three half-brothers, James Dobson, New Brighton, John and Boyd Dobson, both of Mars.

Funeral services will be conducted Tuesday at 2 p. m. from the late residence with Dr. J. Paul Graham officiating. Interment will take place in Union cemetery, Mars.

The body has been removed from the Howard L. Reynolds funeral home to the late residence, where friends may call.

fidence of Forrestal, who probably will be guided by Ike's decision when called upon to settle a split vote in the JCS. The joint chiefs must make unanimous decisions or questions considered go to Forrestal for settlement.

2. The Army has found itself forced into the role of peacemaker in the Navy-Air Force squabble, and Chief of Staff Omar N. Bradley has worked hard toward an agreement. Eisenhower is an Army officer, and with Bradley could constitute a full half of the joint chiefs.

3. As supreme commander in Europe he successfully kept strife between nations, services and individuals from interfering with the successful war effort.

Eisenhower is only scheduled to remain in Washington about seven weeks, but observers feel certain that before he leaves a permanent chairman of the joint chiefs will be appointed—and it will not be Adm. William D. Leahy, Chief of Staff to the President.

Naming of a new chairman will take congressional action, but it was considered almost certain.

## Joint Service Club Dinner Off

The speaker was to have been Hon. Jennings Randolph, former West Virginia Congressman, and assistant to the president of Capital Air Lines. He will speak at the later date.

legation in Washington, meanwhile, following a reported telephone threat against Sik's life.

The guard was said to have been set up after the minister reportedly informed the state department that he received the threat early last Wednesday, following the sentencing of Cardinal Mindszenty to life imprisonment in Hungary.

**No Diplomatic Break**  
Informed quarters said it is almost certain that there will be no actual diplomatic break between the Washington and the Budapest governments.

It was emphasized that the United States wants to keep a diplomatic "listening post" on Hungary and elsewhere in the Russian orbit of states.

There was a possibility, however, that Chapin may remain in this country indefinitely but still keep the title of minister to Hungary.

This would leave the American legation in Budapest in the hands of a charge d'affaires and serve as a diplomatic slap to the Hungarian government.

In the day of World War II, before the U. S. became a belligerent, the U. S. embassy in the German capital of Berlin was handled by a charge d'affaires.

The major concern of the United States is to bring the dispute with Hungary over religious persecutions before some authorized body.

tion on arms and troops—including atom weapons. President Truman's refusal to give out any such data made no impression on Malik.

Tomorrow afternoon, the security council convenes to tackle once again two problems which consistently draw east-west fire. The first will be the application of the U. S.-recognized government of South Korea for U. N. membership.

Malik is certain to veto the application, while sponsoring for U. N. membership submitted by the Soviet-sponsored regime in North Korea. It is a foregone conclusion that the U. S. again will be singled out as a heavy target by the Russian.

**Trieste Issue**  
The second explosive item on the agenda is the question of selecting a governor for the free territory of Trieste. Malik demanded a meeting of the council of the question, hopelessly deadlocked for nearly two years. The big five were to choose a candidate but each has rejected names submitted by the other as unsuitable.

U. N. sources believe that Malik raised the Trieste case at this stage to counteract recommendations from the Anglo-American authorities in Trieste for the return of that area to Italy. It has become evident that despite the rift between Tito and Moscow, Russia will continue to support Yugoslavian demands in the Trieste and Austrian regions.

enough southern Democrats to preserve much of the Taft-Hartley law.

A group of southern senators, including Byrd (D) Va.; Ellender (D) La.; McClennan (D) Ark.; and Russell (D) Ga., already have announced publicly that they favor retaining a lot of Taft-Hartley in any new labor law.

If Morse and Ives bolt the Republican ranks on the injunction question, however, they may influence several other liberal Republican votes. This might offset the administration's loss of southern Democrats and set the stage for a very close senate battle.

The administration is willing to concede defeat on one point in its labor bill—the position of the conciliation service—but not on the injunction.

spilled some gasoline down the front of his clothing. He had gone into the room used by the electricians, and was alone at the time, Coroner Charles E. Allen was informed. Seconds later, he came running out the door, with his clothing aflame. Fellow workmen in the shop came to his aid, and extinguished his burning clothing, but not before they had virtually been burned from his body. He was taken to the Jameson Memorial hospital, where it was found he had suffered third degree burns of most of the body, legs and arms, and his condition was critical from the start.

The coroner and officials of the railroad company are making an investigation of the circumstances to determine the cause of the accident.

## Beautiful Dancer Is Burned To Death

(BULLETIN) HOLLYWOOD, Feb. 14.—(INS)

—A beautiful ex-Earl Carroll dancer and model, Maxine Gregory, 32, was found burned to death today in a charred bed at a motel.

The discovery was made by the motel manager, Francis Taylor. He was aroused by a passerby who saw smoke pouring from Miss Gregory's cottage.

The showgirl's body lay face down in her bed. Police believed the mattress had been smoldering for several hours.

Smoking in bed was believed by police to have caused the fire.

Once the wife of Carl Sztlinger, Miss Gregory secured a divorce three years ago and resumed her maiden name.

## RECENT SURVEY SHOWS SLIGHT LABOR DECLINE

Holiday Hiring Deferred Mild  
Year End Slump In  
Employment

Figures released today by the Pennsylvania State Employment Service revealed an increase in job and unemployment claims seekers in Lawrence county.

Contrary to large scale unemployment being experienced in some mid-western and western cities, the employment figures here are off only one per cent from October levels. Signposts for the future point to increased steady employment on a sound basis in the area served by New Castle workers.

December showed a slight increase in employment because of the holiday hiring of seven large retail stores and the U. S. Post Office. Otherwise, according to a survey of 104 Lawrence county firms, representing two-thirds of all non-farm and non-domestic jobs in the area, payrolls have shown a slight decrease of one per cent.

Recent layoffs were concentrated principally in railroads, off 10 per cent due mostly to the closing of lake transportation, and construction, off 25 per cent because of cold weather. A total of 143 workers were effected.

**Stable Employment**  
During the past three months, 23 manufacturing concerns, employing 13,696 workers, provided unusually stable employment for this period of the year. A net loss of 19 workers, or .14 per cent was reported, with net gains shown in stone, glass and clay industries.

According to George Gettings, manager of the local state employment office, little change is expected until after the first of April. Construction and railroad work should show an increase in activity at that time.

Payment of unemployment claims cases was higher in January than in December. However, there is a 62 per cent decline in servicemen's allowances and 23 per cent in unemployment compensation since this time last year.

**To Probe Prices Of  
Bread And Milk**  
WASHINGTON, Feb. 14.—(INS)—Chairman Maybank (D) S. C., of the Senate Banking committee announced today that he will open an investigation into high bread and milk prices Feb. 21.

He said he wants to show that the farmer has not been responsible for the high prices at the corner grocery. He also wants to know, he said, why retail prices have not dipped along with commodity prices.

The price investigating subcommittee staff began arranging for witness—including New York Mayor William O'Dwyer on the milk situation—as the Bureau of Labor statistics announced a new drop in wholesale prices.

Last week, BLS said, the wholesale price level dipped 1.2 per cent, and now stands 2½ per cent below a year ago.

## THE FAMILY SCRAPBOOK

By DR. ERNEST G. OSBORNE

Sharing Good News with the  
Family

Of course, children like to be "in on the know." It makes them feel fine when they are trusted with information that is really important. Dad gets a pay raise or a promotion. Mother is made president of a club at the church or elsewhere. Some other interesting thing happens. Too often, in such cases, we parents feel that the youngsters are too small to be told. We may not believe, or we just don't think it is important, that they would be interested.

It may be, too, that we have a hind of false modesty. We feel that we are boasting, perhaps, if we hand on such news. But children in the family deserve to have the joy of sharing the successes that come to their parents just as parents enjoy knowing of the school achievements of their children.

And one need not fear that youngsters will spread news that we don't want talked about. If they understand that it is "family-centered" information, they will be proud of their ability to keep the secret. Try sharing the news. It's a good way of building a feeling of family unity.

PENICILLINS

It is not very long since Penicillin was used for the first time. It is a very valuable remedy.

Doctors and chemists and bacteriologists have studied about it. They have found that there is more than one kind of penicillin.

They have learned something about its use and about its limitations.

They know that there are some diseases for which it is a cure. They know that it is of no help in some diseases.

The excitement is beginning to die down. We take it for granted like electric lights and motors and antitoxin.

Pretty soon we will find something better and the penicillins will be old-fashioned and out of date.

DEBORAH KERR, screen star, was born in Scotland, at Helensburgh, and after her father's death, went on the stage to help the family finances. Deborah had studied at a ballet school in her native land, and in 1939 went on the stage in repertory. She was discovered by Great Britain's famous Gabriel Pascal. After Black Narcissus, and The Hucksters in Hollywood, Deborah returned to England with her husband, Tony Bartlett, to await the stork.

ALAN REED, who plays the role of Pasquale on radio's Life With Luigi, a Sunday night comedy, has filled almost as many jobs in his private life as he has portrayed character roles on the air. He has been everything, from a champion wrestler to a brass polisher on a transatlantic liner. Alan got his preparation for characterization during his grammar school days when he played Shylock in The Merchant of Venice, and caught his beard in the stage door. Alan played it for comedy and has been

playing the same way ever since. Alan has been in stock, the Provincetown players and in sea plays by Eugene O'Neill, also manager and production chief of a theater. In his present role his son, Alan, Jr., sometimes plays his radio son.

folk dances and games which are loaned to us from another land and in which everyone takes part. The party can be centered on a patriotic holiday theme or perhaps it will be a party to honor some good citizen, a teacher, the mother of the girls.

I was a bit disappointed to find no suggestions for stimulating

girls to practice democracy by sharing in home responsibilities. Indeed, I fear that most such organizations, like most schools, lose a big opportunity to encourage sharing in the normal chores and jobs about the home. I wonder if the average Campfire Girl or Girl Scout really thinks of responsibilities as an essential part of real democracy. Any education in democracy certainly should motivate the growing child to shoulder home responsibilities even when to do so requires considerable self-drive. What do you think about it?

BILL McPEAK  
IS HONORED

(Continued from Page One)

responsible for the successful event, introduced the welcoming speaker, the honorable Judge John G. Lamoree. He spoke for all present when he said that McPeak was a credit to youth, football, and the community.

Bart Richards assumed the role of toastmaster for the rest of the evening.

Williams First Speaker

Josh Williams, assistant backfield coach at Pitt, was the first guest speaker. Williams bestowed the highest praise on the ability and character of the honored guest. He said that one of the chief reasons for Bill's success while playing under three head coaches in four years at Skyscraper U. was that he was "coachable" and that he tackled any assignment under any system with determination and vigor.

Many sports celebrities and ex-gridders of the community were introduced from the floor. These included Attorney Ed Logan, "Tip" Richards, Joe Howley, Charles Allen, Ed Connerly, Ralph Gardner and three of Bill's team mates on the Panther squad, Sam Haddad, Lindy Lauro, and Tony Razzano.

New Castle head football coach Phil Bridenbaugh spoke and assumed the responsibility for McPeak's not making the varsity while in high school. Bill later claimed he was at fault. The important thing about the issue was that it was settled in an amicable fashion and there was no doubt in the mind of those present that both men had the greatest respect for each other. Displaying qualities that can always be attributed to really great sportsmen, the principals faced the issue squarely and settled it wisely.

The Elks quartet offered barber shop harmony at its best as they enlivened the program with "Coney Island Baby", "Shine", and "Dry Bones".

Milligan Speaks

Pitt head coach Mike Milligan ably filled the role as main speaker.

The "miracle coach of the year" in district grid circles told the group of his joy when he came to Pittsburgh and had a man like McPeak on the squad. He attributed McPeak's extraordinary success to the stamina and courage that was coupled with his athletic ability. Milligan said that no matter what line of endeavor he was engaged in, he would always welcome Bill as an associate.

The finest looking lady present and also the most proud was Mrs. Ann G. McPeak, Bill's mother. When introduced by the toastmaster she drew the evening's largest round of applause.

Bill Doran presented a gift to McPeak from his old gang and sandlot colleagues, the East Side Shamrocks.

Present Traveling Bag

Tom Cunningham made the presentation speech of the assembled group's gift to Bill. The local florist emphasized the genuine pride that all of New Castle had in the honored guest and the hope that the beautiful traveling bag Bill received, would always serve as a reminder of that pride.

A large round of applause greeted McPeak as he rose to accept the gift of his fellow townsmen. A momentary silence of admiration anticipated the remarks of the honoree. The husky Winslow avenue athlete, snappily attired in a light blue double breasted suit, appeared more like a candidate for a Hollywood role, than an end position with the world's champion pro football team.

For a few brief seconds no looked as if he would rather be facing Doc Blanchard running at full speed in a suit of armor than the group of admirers who had gathered to honor a favorite son.

McPeak Best Speaker

sumed the responsibility for McPeak's not making the varsity while in high school. Bill later claimed he was at fault. squad New Year's day, the honored guest spoke with modesty, humility and firmness that made his speech unquestionably the best on the program.

With genuine sincerity he thanked the group for what they had done for him. He questioned the wisdom of offering a testimonial to someone who had merely fulfilled a life long dream. If he did deserve it, McPeak, added so did his coaches, teammates and mother, who had given him guidance, cooperation and inspiration.

Father McCarter pronounced the benediction and movies of two thrilling Pitt triumphs of last fall concluded the program.

Dick Cassiano, a third Pitt coach on the speaking program was unable to attend the dinner.

Bill will be graduated from Pitt this spring and has already signed to play with the Cleveland Browns in the fall. The pride and admiration of the city of New Castle, go with him and it could not be entrusted to a nicer guy.

## First Major Test For Tax Program Before Legislature

Controversial Gasoline Tax Proposal Will Be Debated In House Today

HARRISBURG, Feb. 14.—(INS)—The administration's tax program will meet its first major test in the General Assembly today when Gov. James H. Duff's controversial gasoline tax proposal is debated in the house.

Duff's recommendation for a one-cent a gallon hike in the current four cent gasoline levy will be the target of bitter opposition when the eight-point tax program comes up for second reading. In addition, a measure calling for re-enactment of the one-cent soft drink tax also appears headed for trouble.

The Senate convenes today at 4 p.m. and the House 30 minutes later.

The tax program will meet its final test tomorrow when house lawmakers will be asked to give final approval to the proposals.

Although publicly expressing confidence that the entire tax program will win approval, Republican leaders plainly are worried about the gas tax measure.

Most vocal opposition will come from the strong Democratic minority which claims the administration has failed to show the necessity of an additional one-cent levy on gasoline. Lawmakers representing farming areas also are opposed to the measure on the basis that it fails to exempt gasoline used for agricultural purposes.

In addition, the oil industry in general is opposed to the increase, claiming flatly that it is unnecessary.

Republicans outnumber Democrats 117 to 91 in the house, but they must get 105 votes to push the measure through.

## Man Is Held For Part In 'Charity' Gambling Party

SAN JUAN, Puerto Rico, Feb. 14.—(INS)—William P. Buckner, Jr., is scheduled to appear in San Juan district court today to waive extradition rights before returning to New York to face gambling and conspiracy charges.

The 41-year-old playboy is wanted for his part in a "charity" gambling party in a New York Park avenue penthouse last summer, at which guests lost thousands of dollars. Some of the losers stopped payment when they could find no charities backing the party.

Buckner will fly back to New York tomorrow or Wednesday with Assistant District Attorney A. G. O'Connor and two detectives, who picked him up in San Juan after his arrest by postal inspectors.

Buckner claimed when arrested following a six-month manhunt, that he was planning to surrender voluntarily and return to New York "because of my mother and son."

## Israel's First Parliament Opens

JERUSALEM, Feb. 14.—(INS)—Israel's first parliament in 2,000 years opened deliberations in Jerusalem today while the flags of the 42 nations which recognize the infant state fluttered from the city's tallest buildings.

The swearing in of the 120-member constituent assembly was all but overshadowed by the assertion of Premier David Ben-Gurion that Jerusalem must remain an Israeli city.

Ben-Gurion told the final meeting of the provisional council that the Holy City must remain part of Israel even if it means defiance of the United Nations and the newly arrived U.N. Conciliation commission.

Ben-Gurion's statement as well as the fact that the first few days of the assembly session will be held in Jerusalem reportedly have moved American, British and French representatives to absent themselves from the opening ceremonies.

DRIVER IS HELD Albert Peak, R. D. 8, was arrested on a charge of operating a car while intoxicated, and also on a charge of driving during a period of suspension yesterday. He pleaded guilty to both charges before Justice of the Peace James Vesella, West Pittsburg, gave bond, and was released for court action. State police made the arrest.

The arrest followed an accident on the West Pittsburg road at 1:30 a. m. Sunday.

Peak was driving south and Carl Heichel, R. D. 2, was driving north, one mile south of New Castle, when the cars collided.

No one was injured.

## No Major Assault Against China If Parley Continues

NANKING, Feb. 14. — (INS) — Acting President Li Tsung-Jen reviewed reportedly softened Communist peace terms today, heartened by a Red promise not to mount a major assault against China's heartland unless peace talks collapse.

The new Communist demands were presented to the Nationalist president by Professor Wu Yu-Hou, leader of a peace mission which conferred with Red leaders in Peiping last week.

Prof. Wu said that Gen. Yeh Chien-Ying, Communist chief of staff now acting as mayor of Peiping, assured him that the Reds will not launch major military action against the Nanking-Shanghai area "until and unless peace talks break up."

## Norway Seeks Commitments On Aid By Britain

LONDON, Feb. 14. — (INS) — Norway's foreign minister sought British military aid commitments in a meeting with Foreign Secretary Ernest Bevin today to make up for the supposedly "disappointing" outcome of his efforts in Washington.

Halvard M. Lange reportedly limited his talks with the British foreign secretary to the "exploratory and explanatory" level without final commitments.

However, Lange reportedly was told that Britain will provide whatever help is possible to Norway in keeping with the terms of the proposed North Atlantic Security pact.

## Business And Professional Men In Shop Classes

—New Castle News Photo

Meticulous handiwork, banging hammers and buzzing saws hardly sounds like a doctor's formula for relieving harassed nerves, but that is the solution currently in vogue among a group of leading business and professional men of the city.

They meet on Tuesday and Thursday evenings at the New Castle school system's vocational shop near Ben Franklin school for recreational purposes and at the same time do a lot of work of a useful nature for their homes and friends.

The class is one of many in the adult education program of the public school system that is opening new fields of learning and recreation for all those who will spare a few hours of their time each week. The men now taking the woodworking course originally signed up to come three hours a week on Tuesday or Thursday. Many of them have found the work to be a source of so much pleasure and interest that they are now attending both sessions.

**Little Formal Instruction**  
Russell Remaley, a member of the vocational school faculty, is the instructor in the course. Very little time is spent in formal instruction and each man is allowed to work on the project of his choice with the knowledge that Mr. Remaley will be on hand to straighten out any difficulties in a competent, friendly manner.

With the exception of three Terrace Ave. trade school students

who enjoy the work so much that they spend their evenings practicing their trade, no members of the class are interested in cabinet making, carpentry or woodworking as a profession. Nevertheless, many of the students who originally had to be told the difference between a screw driver and a wood chisel are now turning out finished masterpieces.

The variety of work done ranges from repairing furniture and building doors to designing tiny inlaid ash trays. One man took rough oak boards and turned them into beautiful paneling for his house.

**Furnish Own Materials**  
Each man in the course furnishes his own materials and chooses his project. He also posts \$5 at the beginning of the course which is to be refunded if 75 per cent of the sessions are attended. Since

this course offers so much pleasure and is done on a strictly volunteer basis most of the men attend more than enough classes to get their \$5 back.

The tools and the instruction are furnished by the adult education program. The men have an opportunity to become acquainted with some of the latest and best in the way of power and hand tools for woodworking.

Mr. Remaley has a thorough knowledge in the use of all the tools and gladly imparts his knowledge to all who express an interest. And there is plenty of that. It would be hard for a layman just entering the shop to believe that the students are not part of a big manufacturing concern being subjected to a time and motion study. These men work long, hard and arduously just for the fun of it.

## Rubbish Being Burned Here In Illegal Manner

Many Complaints Have Been Received By Fire Chief Of Practice

Many complaints have been received by Fire Chief H. F. Steinbrink about the manner in which rubbish and other materials are being burned in the city in an illegal manner. Many of the complainants do not like to give their names because they do not like to become involved with their neighbors even though these neighbors are knowingly violating the law.

Two kinds of permits are needed to burn any kind of rubbish, Fire Chief Steinbrink stated.

One is for burning rubbish within the built-up portions of the city. In these areas, rubbish and other combustible material may be burned only in iron stoves or specially constructed containers and these must be 15 or more feet away from any building or structure. In addition, a competent person must be in charge while the fire is burning. No fire shall be lighted before 6 a. m. and the same must be extinguished before 9 a. m.

When fires are started outside the built-up area on open ground this fire must be at least 50 feet distant from any structure and shall not be over six feet in diameter.

A competent person must be in charge and burning shall be permitted only between 7 a. m. and 7 p. m. Where such a fire is less

than 100 feet distant from any building or structure the person in charge must be equipped with a garden hose attached to a hydrant or spigot or have sufficient pails of water nearby to protect adjacent property. No fire is permitted on windy days.

All these restrictions are provided by a city ordinance governing the same and inspections are going to be made, the Fire Chief stated, when complaints are received and arrests may follow.

## Naval Reserve Pilot Is Killed In Power Dive

WOODBURY, N. J., Feb. 14—(INS)—Naval air authorities today investigated the crash of a Hellcat fighter plane which killed a Naval Reserve pilot after a power dive from 30,000 feet.

Identity of the victim, a veteran of nearly six years in service, was withheld until next of kin has been notified.

The plane exploded on a truck farm at nearby Sewell, digging a 20-foot deep crater. Parts of the ship and the pilot's body were scattered over a quarter-mile area. The ship was one of three of a reserve squadron which left their base at Willow Grove Naval Air station just 45 minutes before the crash.

Capt. Carroll B. Jones, commanding officer of the naval air station, said the pilot apparently lost consciousness while practicing spiral dives on a routine training flight.

## Spring Classes Begin At YWCA

Painting, Knitting, Lamp Shades And Slip Cover Classes Create Interest

Classes for the spring semester in the Young Women's Christian association will begin the week of February 20 according to an announcement made by Mrs. Roy A. Long, chairman of YWCA program.

There will be classes in painting, knitting, making lamp shades and one in making slipcovers.

The slipcover class, to be taught by Mrs. Paul Allison and beginning Wednesday, February 23, will include the making of slipcovers, drapes, festoons and the clever new bed spreads. This class will be an afternoon one at 2:30. The idea in planning it at this time is to accommodate young married women who could bring their children to the YWCA free nursery at 1:30, shop for awhile, then return to the slipcover class. Any woman can give slipcovers of her own making a professional touch by learning how in a class of this kind. Women may bring their own piece of furniture or not as they wish.

Mrs. Paul G. Dingley, who taught the fall knitting class will again teach knitting in the spring semester. It will be Wednesday evenings at 7:30 beginning on February 23. Now is a good time to

knit summer sweaters but it is even a better time to start on articles for next winter, such as sweaters, socks for gifts for the men folks, jackets for the babies, mittens, and so on, indefinitely.

The lamp shade class on Tuesday evenings and beginning February 22 will be taught by Mrs. Sarah Nicholson. People could save a great deal of money if they knew how to cover old frames. Mrs. Nicholson says she can instruct in covering any kind of frame.

The class in painting will be Wednesday evening beginning February 23 and taught by Mrs. E. A. Kuhlman. This class will be in water colors and including finger painting, which fascinates so many, both young and old. Mrs. Kuhlman will introduce a fine new idea in her painting class. She plans to have music. Mrs. Kuhlman says that music is relaxing in its effect and then there is a tendency to paint in rhythm with it.

The classes will continue for a term of eight weeks. A minimum number is required to organize any class and a maximum number has also been set for registrations. This prevents a class from being too large for efficient teaching.

Further information may be secured by calling the Y.W.C.A., 6120, or stopping in for a flier on which are found all details. The classes are open to any woman or girl. These classes are fine opportunities for housewives to freshen their homes for spring. In addition new friendships are made.

### Bessemer Brownies

The Brownie Scouts of Bessemer met in the grade school building Wednesday, Feb. 9, at 3:30 for their regular meeting, which was in the form of a valentine party. The girls enjoyed several games.

During the lunch a vocal solo, "My Valentine", was sung by Patty Vlah, accompanied at the piano by Dolores Pfeiffer.

The meeting came to a close with the friendship circle and hand squeeze.

### Walmo Troop No. 21

Girl Scout troop No. 21 met Wednesday at 4 in the school building. The troop has four patrols. The Forget-Me-Nots are working on their cook badge. The Jolly Rogers, Willing Workers and Touch-Me-Nots are completing dancer badge and to finish this badge the girls, along with leaders and parents, will attend a dance at Union high school on Saturday, Feb. 19. The girls are also planning a court of awards dinner to be held in March. Mrs. Marjorie Wine and Mrs. Alene Mielke are the leaders of this troop.

### Senior Scout Troop 27

Senior Girl Scout troop 27 met in their scout room Wednesday under the leadership of Miss Mary Shaddock and Miss Mary Lou Fulkerson. The troop assembles twice a month, and Wednesday's attendance was good.

The girls who are taking up horse back riding have been studying horses, how to care for them, riding equipment and proper positions for riding.

The following officers were elected: secretary, Phyllis Barnes; treasurer, Barbara Cartwright; and scribe, Margaret Anne McKenzie. The scouts wish to thank Frank Mantinos for the nice basement room used for meetings, and also the public library for making their meeting place possible.

### Brownie Troop 50

Brownie troop 50 will gather on Thursday, February 17, in Arthur McGill school.

A valentine party featured the meeting February 10 at the school, where group singing was enjoyed. Valentines were distributed from an attractive box, decorated in red and white.

All members of the troop were present with little Pamela McIver as a special guest. The scout hand squeeze and singing "Taps" closed the meeting.

### Troop 31

Plans were made for the cookie sale. Reservations for the scout dinner at the Cathedral on March 10 must be made by February 28. The scouts pledged allegiance to the flag of the United States of America. They learned how to display the flag, and how it should be cared for. Next week they are to be able to recognize the flags of the countries from which their ancestors came.

After the scouts separated into their patrols, the Pocahontas and Golden Wings scouts cooked. They made cinnamon toast and Blushing Bunny. The project, which was very successful, was enjoyed by the scouts.

The Star Maidens made valentine favors for the valentine party next week. They also planned games. Eight of the Star Maidens met in the evening at the home of the program aide, Margaret McKenzie, 200 Boyles avenue, to finish plans for the party.

The Four Leaf Clover patrol, junior high school girls, rehearsed a pageant, "The Pageant of Flags".

Two scouts from troop 31, and the program aide, took part in the Boy Scout program of governing the city on Monday. Lillian Armstrong served as the health department secretary, Ruth Gibson served as clerk to the city solicitor and Margaret McKenzie served as secretary to the police chief and aided the police matron. The girls, who were enthusiastic over the program, wished that more scouts could have shared their experiences.

The meeting closed with the singing of "Taps" and the Girl Scout "squeeze".

## Woman Sends Messages To Truman-Stalin

LONDON, Feb. 14.—(INS)—A 53-year-old London widow, balked in her efforts to telephone President Truman and Premier Stalin

in a peace "offensive" of her own, sent cablegrams to the White House and the Kremlin.

Mrs. Fanny May Chandler, who wanted to talk personally to Premier Stalin and urge him to "get friendly" with President Truman, sent this pre-paid message instead.

"I am sorry you could not speak to me on the telephone."

"As a widow and the mother of a young son I appeal to you as a father and in behalf of millions of

women like myself to cooperate with others taking urgent steps to stop the drift towards war."

"I believe a world government is the answer and the peoples of the world should elect peoples' representatives at a peoples' world convention to examine the problem."

Mrs. Chandler's message to Stalin ended with the question: "Will you allow your people to attend

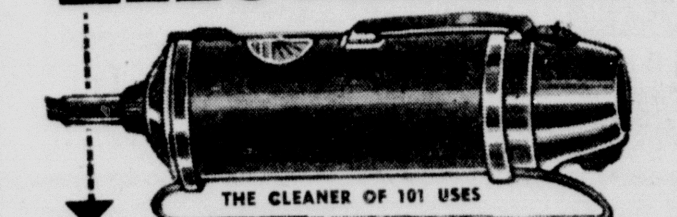

such a convention?" while the query to Mr. Truman was: "Do you agree to this solution?"

## Student Council Sponsors Senior High School Dance

'Sweetheart Swing' Saturday Night  
Has 'Horace Heidt' Program  
At Intermission

Books and teachers were completely forgotten Saturday night at Senior High school when more than 325 students and friends participated in the "Sweetheart Swing."

Gay young blades swung the ladies of their choice to the music of an orchestra amid a Valentine motif complete with hearts, Dan Cupids, and red and white overhead decorations. The annual dance, sponsored by the student council, is one of the highlights of the social season for high school pupils. This year's was no exception to that rule.

Intermission festivities included a "Horace Heidt" program. Frankie Zak played the role of Horace and competitors were Anthony Morgan of the shop, Morris Mitchell of the sophomore class, Jim Maxwell of the junior class and Joe Colalucci represented the seniors. The judges determined that the applause for Jim Maxwell was the loudest and he was given a \$5 bill for his winning trombone solo.

Late evening dancing was broken up by the appearance of two former local football heroes, Bill McPeak and Tony Razzano. These two gentlemen had earlier attended a testimonial dinner for McPeak.

The Castleton and were given their second very warm reception of the evening by the students. Jeanette Lindsey was general chairman for the dance. Elaine Chapman had charge of programs; Ruth Thompson, decorations; Maxine Taylor, invitations; Ed Terrell, tickets; and Bill Boyd, publicity. Myron Frank is the president of student council and Miss Bernice Bartlett, the faculty advisor.

Chaperones for the festive event included Mr. and Mrs. Fred Leslie, Mr. and Mrs. Lester Patton, Miss Janet Brennehan, Mr. and Mrs. Warren Lindsey, Mrs. Marjorie Nelson, Miss Dorothy Young, Mr. and Mrs. John Picrell, Mrs. Dale Mullen and Mr. and Mrs. Norman G. Zeigler.

## Lincoln Letter Found In Attic At Cleveland, O.

Letter Written By Lincoln To  
Member Of Case School  
Founder Is Located

CLEVELAND, Feb. 14.—(INS)—A letter written by Abraham Lincoln to a member of the family which founded Case Institute of Technology has been discovered in the attic of the Cleveland engineering school.

Karl O. Thompson, professor of history, reported discovery of the letter, the authenticity of which was established by the Abraham Lincoln association of Springfield, Ill., and the Chicago Historical society.

Letter Dated 1859  
Lincoln's letter was dated December 29, 1859, in Springfield and was addressed to Zophar Case, father of Eckstein Case, who was secretary-treasurer of the Case board of trustees from 1887 to 1939. Zophar, born in Warren, O., in 1818, was an uncle of the school's founder.

In the letter, Lincoln, who was practicing law at the time, refers to a lawsuit brought by A. Sanders Platt in Clinton county. Platt placed the case in the hands of the law firm of Lincoln & Herndon. Lincoln inquired about some property in the letter.

## Try And Stop Me

By BENNETT CERF

Friedman was haggard from persistent insomnia. "Count sheep," advised his partner. "It's the best known cure." "What can I lose?" sighed Friedman dubiously. "I'll try tonight."

The next morning he looked more bleary-eyed than ever. "Sheep I should count," he mocked his partner. "I counted up to 50,000. Then I sheared the sheep, and made up 50,000 overcoats. Then came the problem that kept me awake all the rest of the night: where could I get 50,000 linings?"

A pastor in New Hampshire was delivering a sermon on his favorite subject, the terrible effect of sex and liquor, and was so carried

away by his own eloquence that he lost all sense of time. His congregation, on the other hand, grew more and more impatient, and one by one they sneaked out into the mellow September sunshine. When only a handful remained in their pews, the sexton tapped the pastor on the back and whispered, "Give it to 'em, Pastor! You're goin', fine. And—er—incidentally, here's the keys to the church. When you finish, would you mind locking up?"

## Pomona Grange Hears Rev. J. C. Rose

Monthly Meeting Held By North  
Beaver Grange In Moravia  
Church

Lawrence County Pomona Grange held its regular meeting with North Beaver Grange as host in Moravia Presbyterian church.

Worthy Master Glenn Patterson presided. The morning session was devoted to the business of the organization. Alan Anderson, master of North Beaver Grange, extended cordial words of welcome with Ray Marshall of Pleasant Hill responding on the values of the grange.

Opening feature of the afternoon session was presented by North Beaver H. S. girls' trio singing "Danny Boy." "Spring Is Here."

Following this a skit by Wilmington grange.

A "Look Inside Europe" was the topic of Rev. J. Calvin Rose, the speaker of the afternoon session. Hatred and suspicion fill the lives of these war-torn people. Through friends from this country Jewish and Gentile refugees are being released from camps. Rev. Rose stated the only aid a German civilian receives is through our churches.

Chaos in Europe is there largely because of politicians of all nations.

In Europe the church and state are tied together which has not been a healthy situation.

Behind the Iron Curtain they want to get control of the educational system, they make charges against the church to get control. They don't understand democracy. They have been told what to do for such a long period that they can't understand anything else.

The March Pomona meeting will be at Plaingrove March 12. Mr. and Mrs. Robert Jameson, Mr. and Mrs. Seth Meely, Mr. and Mrs. George Ramey were appointed to serve on Seventh Degree banquet committee.

Pomona officers, subordinate masters, lecturers, matrons, chairmen of home economic committee will hold a tureen dinner at East New Castle Grange February 19 at 7:00.

## State Police Made 90,595 Arrests In State During '48

HARRISBURG, Feb. 14.—(INS)—Arrests by state police for traffic violations increased more than 22,000 during 1948, it was reported today by state police.

Commissioner C. M. Wilhelm reported state troopers made 90,595 arrests for motor violations last year, compared with 68,300 in 1947.

"The additional arrests were due to traffic increase of approximately 10 per cent and more policemen on the highways than at any time since pre-war days," Wilhelm explained. "If additional state police were available, they would serve as a further deterrent to careless and reckless driving."

A breakdown of arrests showed: 22,207 for exceeding the speed limit; 11,665 for passing a stop sign; and 9,598 for overloading of vehicles.

At the same time, Wilhelm reported that rural traffic fatalities during January totaled 66, an increase of 22 over January, 1947.

Local alumni of the Delta Tau Delta fraternity have a committee composed of David L. Gatrell of Alpha chapter of Allegheny college, Robert M. Strickler, Jr., of Gamma Delta chapter of the West Virginia university, and M. M. "Cy" Ingham of Gamma chapter of Washington and Jefferson college.

The late David Jameson of Alpha chapter was for many years president of the Warren, O., Alumni chapter which included Youngstown, O., and cities in western Pennsylvania including New Castle. For centuries the Egyptians leavened bread by saving a piece of dough from each baking and allowing it to sour. Thus sour dough or leaven was kept on hand for succeeding bakings. When new material is added to sour dough, the latter acts as a ferment and causes partial fermentation in the whole mass.

### ADAMS THOMPSON CHURCH WEDDING

At a quiet but impressive ceremony before an altar of palms and ferns in the Plain Grove U. P. church, Thursday, February 10, at 3:30, Miss Estella M. Adams, daughter of Mr. and Mrs. Frank L. Adams, of Plain Grove, became the bride of Glenn W. Thompson, son of Mr. and Mrs. William Thompson, of Harlansburg. Dr. W. J. H. McKnight, of New Wilmington, pastor of the Plain Grove U. P. church, officiated, using the double ring ceremony.

The bride was adorned in a frosty blue crepe street-length dress, with navy blue accessories, while her sister, Mrs. Ruth Shaw as matron of honor wore navy blue with dusty rose accessories.

Gaylord L. Shaw, brother-in-law of the bride, served the groom as best man. Clyde N. Adams and John G. McNulty were ushers.

Appropriate nuptial music was played before and after the ceremony by Miss Marjorie Foster, of Plain Grove.

Following the ceremony the reception for immediate family and friends was held at the village inn, Harlansburg. The bridal table was decorated with pink and white carnations and snapdragons, with a three-tiered wedding cake in the center.

Later in the evening, Mr. and Mrs. Thompson left on their wedding trip to Washington D. C., and other points of interest. Upon their return they will take up residence on English avenue, R. D. No. 2, New Castle.

Mrs. Thompson is a graduate from Plain Grove high school while Mr. Thompson graduated from Harlansburg high school, both in the class of '39. Both are graduates from New Castle Business College. Mrs. Thompson is now employed by the J. R. Frew Furniture Co. and the groom by Elliott and Waddington of New Castle.

Mr. Thompson served in the Air Force of the armed services during World War II and was stationed in Japan.

## VILLANOVA STAR SCORES 85 POINTS

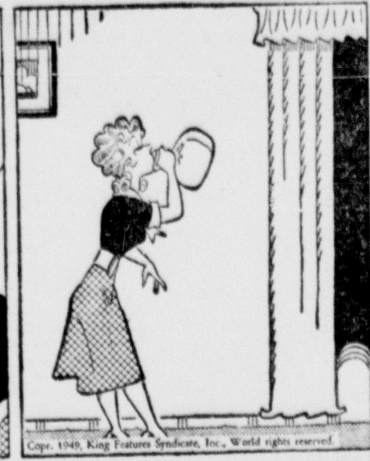

(By International News Service)  
A basketball player can score 85 points in one game.  
For further information, see Paul Arizin, who did just that "helping" Villanova to a 117-25 victory over the Philadelphia naval air command center Saturday night.  
Whether Arizin's performance will be recognized as an official college record remains to be seen. Villanova was considerably undermanned in facing the naval air command center—who aren't officially a college team.

# New Castle Opens Mid-Atlantic Schedule Here April 29th

## League Sets Up 140-Game Card

History was made here yesterday, as the Middle-Atlantic baseball league enters its 25th year or Silver Anniversary, with the adoption in record time, of a 140-game schedule, for the 1949 season.

The season will get under way here at P. J. Flaherty Memorial Field in New Castle Friday, April 29th with Oil City playing a three-game stand. The fans can mark their calendars. It will be a red-letter opening unsurpassed in local baseball history.

### Plan Strong Club

Michael Cannavino, general manager here, has announced that New Castle will be represented with a strong club this season. Cannavino and his new manager-player Billy Mongiello will fly from Erie to Washington Wednesday for a conference with Oscar Bluege, farm director of the Washington Senators, relative to the number of players the Senators will send to New Castle.

While in the east Mongiello will scout around for some fine young talent for the team this year. Mongiello whose home is in New York City has a line on several youngsters.

### Under the new league set-up New Castle will have 70 home games.

**Daily Presides**  
Elmer Daily, Ebensburg, Pa., starting his 24th year as president of the Mid-Atlantic loop, presided at the history-making session at the Castleton hotel Sunday. Daily was supported by Russell Hockenbury, secretary-treasurer, of Scottsdale, and George S. Cooper of Johnstown, vice-president of the league.

The owners present were Cannavino, New Castle; Nick Andolina of Youngstown, Gordon Hutchison of Butler, Harry Isabel of Uniontown, Joe Connors of Oil City, Jocko Munch and Fred Nash of Erie, George Cooper of Johnstown and Ralph Hunger of Vandergrift. Besides the owners and representatives there were many newspaper men present from Erie, Vandergrift, Tarentum, Butler, Johnstown, Oil City and New Castle. Don Gardner, well known Youngstown radio sportscaster, was also present.

### Optimistic Outlook

There was an air of optimism hanging over the meeting yesterday. All of the owners are planning for strong clubs and expect great things in 1949. They hope to make the silver anniversary one of the biggest in Mid-Atlantic history. Vandergrift won the 1948 championship.

A vote was taken on the matter of adopting either a 140 or 126-game card, the 140-game card winning by a vote of 6 to 2.

The season opens April 29 and ends Labor Day, September 5. Under the split season plan adopted at Milwaukee recently, the first half ends on July 1, the winner of the first half to meet the winner of the second half.

### Opening Day Card

Here is the way the teams will show off on the 1949 season: Oil City at New Castle. Uniontown at Youngstown. Erie at Johnstown.

## Umpires Enjoy Saturday Fete

### Annual Lawrence County Umpires Association Dinner Big Success

Members of the Lawrence County Umpires association held their annual banquet Saturday night at the Hotel New Penn and the event was a big success from the word let's eat, to the final showing of World Series movies.

The dinner consisted of steak and eggs, which was well received, and of course there were all the side dishes, a tasty repast. Preceding the dinner Joseph Hartman gave the invocation.

Following the dinner part it fell to Charles "Bugs" Walther, News sports writer, to handle the toastmaster job.

### Hear Fine Talks

The following responded with fine talks, the few lines explaining the list of what they said:

Tex Riffe, National Baseball Congress Commissioner, Cleveland scout: I am happy to be back in New Castle and renew acquaintances and to pay tribute to Anthony Priscaro for a great job at Wichita, Kansas.

Paul Sankey, president North County league: "We will always have a strong circuit, you can count on us."

Joseph Hartman, city baseball commissioner — and local well known school principal: "I advocate baseball fields for the youngsters of our city, to learn to play baseball."

Billy Mongiello — newly signed manager for the New Castle Mid-Atlantic club here this summer, and no drinkers on my team."

Michael Cannavino, general manager of the New Castle club: "We'll have a strong ball club on the field this summer, I believe in New Castle and intend to give them good baseball."

Albert "Jabby" Conti, president of the Umpires Association: "Thanks for the support you fellows have given me this year, let's carry on." Conti was presented with a gift from his mates by Priscaro.

Movies and a general "talkfest" ended the fine banquet.

## Roller-Hockey

### Here Wednesday

The 1948 championship Bridgeville roller-hockey team will play the 1949 league leading New Castle Yellow-Jackets at the Arena floor here Wednesday night at 8:45 o'clock. This is the biggest game of the year for the locals.

## DUKES-GENEVA CLASH TONIGHT

BEAVER FALLS, Pa., Feb. 14.—(INS)—It'll be standing room only tonight in the Beaver Falls high school gym where Geneva College will play host to Duquesne. The Covenanters will try to make up for a 55-40 early season loss to the Dukes in Pittsburgh.

**ELIWOOD CLUB MEETS**  
The Eliwood-Wampum Rod and Gun club will meet at the range tonight on the Eliwood-Wampum road at 8 o'clock. Movies and refreshments will follow the business meeting.

## HERE AND THERE IN SPORTS LAND

**BATTILING LEVINSKY**, who started his pugilistic career under the name Barney Williams, is dead, the Great Referee having tolled "10" over him Saturday, as was announced in The News, Saturday afternoon.

The Battler and Tom McMahon met in New York. The fight was vicious. One of McMahon's punches fractured several of Levinsky's ribs and he was shelved for six or more weeks.

Here & There matched Levinsky against Emmett Rocco, and they opened the Jolly bowl, June 25, 1928, drawing \$3,635.97. Levinsky won the decision after the fight went the limited 10 rounds. Billy Jolly was the promoter.

Levinsky outpointed Jack (the Giant Killer) Dillon in 12 rounds at Boston, October 24, 1916, and was stopped by Jack Dempsey in three rounds in 1918, but Jack being a heavyweight, Levinsky's title was not affected.

In 1920 in Seattle, he lost on a foul to Boy McCormick, who failed to claim the title. Boy returned to England but on October 12, 1920, Levinsky was knocked out by Georges Carpentier, in four rounds, Carpentier winning the world's crown.

He boxed Harry Greb, the Pittsburgh wind-mill, who was middleweight king in 1923 five times. In an effort to win back the American 175-pound title, he failed, and lost to Gene Tunney, at the time a light-heavyweight.

His last bout was in 1929, when he was knocked out by Otto Von Porat at Grand Rapids, Mich., and who, by the way, also knocked out Emmett Rocco, when Joe Alexander took the Eliwoodian to Chicago. He was regarded as boxing's "Iron" man, having fought seven straight nights, and on two afternoon shows, at one stage of his career. At another time he fought 41 times in 40 weeks.

Billy Jolly, the throttleman, who built and promoted the Jolly bowl 20 years ago, and who yet is obsessed with fight fever, continues to have strong hopes of inveigling a 21 year old, six foot, two inch, 200 pound former Marine to take up boxing. Jolly has won an agreement from former Middleweight Champ George Chip to train the ex-Marine, if the latter harkens to Bill. Chip doesn't want any more of the fight game, excepting to act as trainer for the ex-Marine, whose name, at present, is being withheld. There's one thing sure. Chip could tutor the boy properly, and Bill from his past experience knows the "ins" and "outs" of the boxing game, and if the boy had anything, he would soon be in the "dough".

At 1 a. m., or two hours after the Pep-Saddler fight, in which Pep regained the 126-pound title, the telephone went ting-a-ling, and answering. Here & There found the voice of Eddie Aylward, Cleveland sportsman, asking: "How did you like the fight?" after which he put former Featherweight Champion Johnny Kilbane on the telephone. "We saw the fight televised," the ex-champ said, "following which he had Bob Scott, one of the topnotch figures of the Hanna Coal company tell Here & There of having received a broken shoulder while bear hunting near Lake Superior. He slipped on a rock while pursuing Bruin. Next voice was that of Phil Brock, ex-lightweight title contender who boxed 'em all, including Jimmy Dunn and Bat Terry.

Writing of Kilbane, recalls a feud between Tommy Bresnahan, featherweight in the Dime brigade, and Kilbane. It seems as though Bres' spoke harshly of Kilbane. It got under Johnny's skin, hence he accepted a bout with Tommy at Rochester, N. Y. He dangled Tommy at the end of his gloves, round after round, then putting zip into a punch, floored Bresnahan, leaned over him, and exclaimed: "Get up, and I'll knock out you!" Being unabashed, and a fighter who could assimilate punishment, Tommy gazed at the champ of those days, and sarcastically inquired: "Johnny, where do you bury your dead." From then on Bresnahan took a "sweet" lacing.

## Church Loop Second Half Starts Tonight

Second half play in the class "A" church league gets underway tonight.

"A" teams will play on Monday nights for the second half which consists of only five games per team.

Wampum, first half winner in the "B" league has been transferred to the "A" group and winless First Baptist will play in class "B". The "B" champs meet Third U. P. at nine o'clock on the "Y" court tonight.

St. George will be out for another upset win in the seven o'clock go when they face mighty Epworth.

Second place First U. P. meets First Congregational at eight.

## Brincko's Team In Second Place

### Local Bowlers 57 Pins Behind Akronites In Third Day Of Bowling

ATLANTIC CITY, N. J., Feb. 14.—The 46th annual ABC championships moved into the third day of competition with the Leon's Tavern team of Akron setting the pace in five-man event, most important division of the tournament, with a 2,856 figure, while the Brincko Bowling Lanes of New Castle, Pa., finished second with a total of 2,799. One pin behind was the Saurteries Recreation Center of Saurteries, N. Y.

Leon's Tavern put together games of 924-968,964 to be the first squad to roll above 2,800.

However, the pins and the totals are expected to soar tonight when the first "name" teams take over the alleys. They include the Olpic Realty squad, Los Angeles, which features Hans Hank Lauman, former St. Louis star who placed second in the 1947 ABC events with 1,944, and Bill Flesch, 204 average, who won the ABC team title as a member of Monarch Beer team in 1940.

Herman Undertakers, St. Louis, the first "thousand" average team to appear, will also perform.

### Lead First Day

The Brinckos led the first night of the tourney with 230 games bowling in the booster and regular divisions. The Brinckos had games of 856, 984 and 959 for 2799. There were 1,500 bowlers the first day. The Moose Club finished in seventh place. The Brinckos won \$100 for being the leading booster team the first day, and will probably pick up more money, if their score stands up.

Johnny Brincko in the all-events had a total of 1778 and 620 for the singles. Tony "Nails" Nocera had a total of 1740 for the all-events. In the two-men teams George Shook and George Sargeant had 1137, and Tony Fair and Nick Cavalier had 1130.

The local bowlers came in for a lot of praise during their short stay at Atlantic City for their bowling prowess.

## RIFLE CLUB AT ELLWOOD

The New Castle Rifle club will have a league match at Ellwood City tonight. The members will meet at 7 o'clock at the corner of Cunningham avenue and Taylor street.

## East Brook Tops Elks 37 To 33

### Three-Way Tie For First Place In City-County Loop, Carl Jameson Stars

East Brook Boosters handed the league leading Elks a surprise 37 to 33 defeat Saturday night at the Washington floor, thus throwing the city-county league into a three-way tie, the Elks, Boosters and Ellwood VFW being the leaders.

It will take the completion of the schedules to determine who the champs are. Each of the first three teams have postponed games to play yet. It will take at least two weeks to decide it.

### Jameson-Jackson Stars

Carl Jameson with 16 points was the outstanding Booster star in the game Saturday, with Morrow having eight points. Best for the Elks was Bob Jackson with 17. The Elks led at the half 19 to 14. It was a third period drive that gave the Boosters their lead. Defensive play was outstanding all during the game.

In the opener the Wampum Merchants lost to the Ecclesian Club 42 to 43 in a city-county tilt with Louis Krueger the Ecclesian club star with 20 points, and Procopio with 22 for Wampum. Kerr had 18 for the winners and played a fine game.

## Beaglers Hold Fifth Banquet

### Present Day Hounds Must Show Greater Ability Than Those Of Yesteryear

Fifth annual banquet of the Shenango Valley Beagle club was held Saturday evening at Sylvan Heights golf course. One hundred men and women attended the fete. A program of music and dancing followed the banquet. Sheriff Frank L. Coen acted as toastmaster.

Guest speaker was A. P. Mitchell of McKees Rocks who spoke of the changes in Beagle styles, and also changes in the running of field events during the past 20 years. He emphasized the need of conservation of real conservation-minded sportsmen and challenged them to "roll up their sleeves and go to work" on the hunter's biggest problem—conservation.

### Eleven-Point Program

Hunting's top administrator outlined an 11 point program to keep Pennsylvania a nimrod state. Among the proposals was a radical change in pheasant restocking policies. Frye advocated more ring-neck pheasants raised with only cocks released just before the open season. All hens would be held for release in spring with enough cocks to produce maximum natural propagation.

### Keep Streams Clean

Frye's other recommendations included greater commission-sportsman cooperation in wildlife food and cover conservation campaigns; and would provide game protectors with two-way radios.

## Lawrence Sportsmen To Convene Tuesday

## Sportsmen Support Duff On Proposed Tax Program

HARRISBURG, Feb. 14.—(INS)—Gov. James H. Duff has won the support of Pennsylvania's sportsmen for his tax program.

The Pennsylvania Federation of Sportsmen's clubs in the last day of a two day meeting voted to support the governor's recommendations after he outlined "the most progressive program for conservation and reclamation we have ever had."

The governor emphasized to the sportsmen the need for vast sums of money to carry out the program.

The governor said sportsmen could help "everybody if you will ask your representatives and senators to support the administration program."

### Stricter Laws

Tom Frye, executive director of the Pennsylvania Game Commission, called for hunting laws "so strict and enforcement so efficient that no man can afford or dare to break them."

In a rousing talk to the 18th annual meeting of the State Federation of Sportsmen's clubs at Harrisburg Frye pleaded for "development of real conservation-minded sportsmen" and challenged them to "roll up their sleeves and go to work" on the hunter's biggest problem—conservation.

### Eleven-Point Program

Hunting's top administrator outlined an 11 point program to keep Pennsylvania a nimrod state. Among the proposals was a radical change in pheasant restocking policies. ## Titans Drop To Panthers

### Saturday Night Contest At Pitt Stadium Ends 50 To 41, David High Scorer

PITTSBURGH, Feb. 14.—Sammy David and company, meaning the Pitt Panthers, handed the Westminster Titans, a 50 to 41 defeat at the Pitt stadium floor Saturday night. Sammy personally accounting for 17 points.

It was the first win in more than a month for the travel-weary Panthers, who have just returned from a transcontinental tour, where they couldn't win a single game.

### Pitt Finishes Fast

Pitt piled up a big first period lead at 18 to 8, and at the half Titan flippers had whittled it down to 23 to 19. A big third period drive gave the Westminster a 33 to 31 lead at the end of the third quarter.

The Washabaughs boys led 37 to 32 early in the final session, but in the dying moments of the game, the Pitt team led by David and Lerner drew away.

Scoring stars for the Titans were McCullough and Dembinski with 12 apiece. Dembinski was the only Titan lost on fouls.

Westminster plays W. & J. on Wednesday at New Wilmington, and will face the Waynesburg team Saturday at home.
